

Environmental Policy

In carrying out our functions, PANDA acknowledge that our activities impact upon the environment both through routine internal operations and the actions of our staff.

It is PANDA's policy to protect the environment during all activities, both on and off-site.

This is achieved by:

- Strategic preparation and implementation of operating procedures (including an emergency response procedure)
- Utilizing BAT (Best Available Technology)
- Actively promoting environmental awareness amongst staff and clients through appropriate training and communication programs
- Reducing energy use through effective education and awareness and the installation of energy efficient technology where appropriate;
- Implementing a policy of continuous improvement, by means of targeted objectives. All objectives and targets are monitored and up-dated accordingly.

PANDA are committed to complying with all relevant environmental regulations and aim to supply a safe competitive and sustainable service with specific regards to the surrounding environment.
