

Upcycled Halloween Ghost Decorations

What You'll Need:

- A few empty milk cartons
- A black marker
- Scissors
- White Christmas Lights

How To:

1. Save your milk cartons leading up to Halloween. Remove the labels & recycle them.
2. Make sure the cartons are clean & dry.
3. Carefully cut a hold into the back of each carton, for the lights to fit through.
4. Draw funny or spooky Jack-O'Lantern facts on each milk carton.
5. Break out the Christmas lights!
6. Line the cartons up side-by-side & feed a few lights into the back of each carton
7. Switch them on and you're ready to "Boo-gie"!
